

Online Homes Setup and User Guide

This guide is designed to help with the signup and managing of the Online Homes Email system. Online Homes allows you to search online for the home you desire, then save that search and be notified by email if any listings have changed or are added that match your search.

Step 1 – Log in:

Registered users enter your login information below.
New users **click here to register**

Email address:

Password

New users, click on the red text (“click here to register”) and you will be taken to the registration screen

Current users, enter your email address and password here.

Step 2 Register (You will only need to do this once):

Thanks for your interest in Online Homes. You will receive email updates that match you Real Estate search. You can be removed from this list at any time.
Thank You.

Please make sure you type in your email address correctly. This is also you user name
